FOR IMMEDIATE RELEASE

**Nilfisk to Offer Complete Line of Floor-to-Ceiling Cleaning Equipment
for Industrial Manufacturers at Process Expo 2017**

Morgantown, Pa. — August 31, 2017 — Nilfisk, Inc., one of the world's leading suppliers of professional cleaning equipment, will feature its complete floor-to-ceiling cleaning solution to the food and beverage industry at Process Expo 2017, Booth #1567. Nilfisk will showcase a range of professional cleaning equipment from one company, including: floor scrubbers and sweepers, combination floor care equipment, industrial vacuum cleaners and pneumatic conveyors.

Featured solutions will include, Nilfisk VHS110, certified Class II, Division 2 industrial vacuum designed for the safe collection of combustible dust and compliance with NFPA 652 housekeeping requirements. In addition, for the first time ever, Nilfisk PCC44SF, pneumatic compressed air conveyor for efficient transfer of food powders and/or grains up to 2700 kg/h.

Nilfisk equipment helps food manufacturing facilities meet Good Manufacturing Practices (GMPs) and global safety standards, comply with OSHA regulations, and meet FDA, FSMA and USDA directives. With Nilfisk equipment, manufacturing facilities can easily and effectively clean floor areas of any surface material, in and around process equipment, all the way up to their pipes, beams and rafters. Floor-to-ceiling cleaning improves facility efficiency and air quality and controls cross-contamination hazards, resulting in a safer and more productive work environment.

About Nilfisk, Inc.

Nilfisk Industrial Vacuums, a division of Nilfisk, Inc., is one of the largest providers of cleaning equipment in North America. From its Morgantown, Pennsylvania, headquarters, Nilfisk Industrial Vacuums supports a complete line of industrial vacuums with exceptionally efficient, multi-stage filtration systems and user-friendly features. Nilfisk vacuums play a critical role in thousands of manufacturing facilities and industrial processes across North America. Supported by a direct sales force and an extensive dealer network, Nilfisk Industrial Vacuums helps customers solve a variety of cleaning challenges, including combustible dust, general maintenance, overhead cleaning, abatement, process integration, laboratory/cleanroom control, and more.
