**DRYING, SMOKING, COOKING & COOLING**  
WE BUILD YOUR SOLUTION

BOOTH 4748 - SOUTH HALL

**VISIT US AT PROCESS EXPO IN CHICAGO**  
OCTOBER 23 - 25, 2023

- VETEC ANLAGENBAU (formerly VEMAG ANLAGENBAU) will present the future of thermal food processing: The **AEROMAT CROSS POWER**, our latest innovation for finishing bacon, jerky, brisket and even pet food! With its unmatched product density per trolley, we set new standards in uniformity, energy efficiency and cost-effectiveness.
- We also present our all-time favorite for the processing of hot dogs, the **AEROMAT**.
- And our brand new **CLIMAMAT HIGH CUBE**, which is perfect for American pepperoni salami due to its particularly high racks, will also be on display.

You want to know more about our systems? Then let's get in touch and raise your food processing to a new level together!
